Allowed Items: The Missouri Department of Natural Resources has been committed since 1990 to providing a re-enactment that provided spaces for "quality arts and crafts exhibits." Due to space limitations at this re-enactment, the following rules are in place:

Non-Food Arts & Crafts Vendors:

1. Quality arts and crafts can include commercially produced items, but handcrafted, non-commercially produced items are preferred. While it will not be required, vendors who can create their products on site (candle-making, oil paintings, etc) are definitely desirable.

2. Informational booths are not arts and crafts vendors, and therefore do not qualify for a space at this event. (See Hawking Rule Below). However, under class C sutler rules (See Sutler application), a group that is a Civil War service organization (Sons of Union Veterans, Daughters of Confederate Veterans, etc.) or local history/genealogical societies may qualify.

3. We will not guarantee that other vendors will not be selling similar items; however, we will attempt to provide you with a good venue to sell your products.

4. A list of items must be included with the application! Items that are not considered "quality arts & crafts" by the event managers will not be allowed and if found to be on display, the vendor will be directed to remove them from sale. We encourage you to be as specific in your application as possible about the items for you are selling.

Example #1: "Civil War art paintings" is an acceptable description.

Example #2: "T-Shirts" "Knives" "Posters" without a further description are not acceptable. "Klingon War Knives" and tapestries of dogs playing poker are not considered a "quality arts & crafts."

5. Items having crude, offensive or lewd language/pictures are prohibited

6. In the attempt to insure our visitors a quality experience, **NO HAWKING / SELLING OF ITEMS, SEEKING CONTRIBUTIONS, OR PASSING OUT INFORMATION** is allowed except inside vendor/sutler booths. However, application prior to the event can be made requesting permission for such activity. Please provide detail as to why you feel that walking about in the crowd is preferred to a booth and a list of people doing so. Friends of Fort Davidson and the Arcadia Valley Chamber of Commerce MAY permit such activity and restrictions may be placed on the activity. If approved, you must pay a \$100 fee as a vendor. Persons caught handing out information without having paid the fee prior to the event will be escorted off site or to the area designated as a free speech area.

Food Vendors:

1. A menu listing main foods must be provided.

2. Specialized foods (Gyros, Scotchd Eggs, BBQ, Etc) can be guaranteed that no other vendors are selling like items for a doubling of the normal fee.

3. Must comply with local health regulations.

4. Wine/Beer vendors must comply with temporary licensing laws and will be charged \$400 without electric. Prior to sending in ANY fee, contact the staff at Battle of Pilot Knob below as all such sales require approval by the Division of State Parks director.

Additional Rules (All Vendors):

1. Loud speakers are not permitted at any booth.

2. Holding raffles or other games of skill or chance are not "quality arts & crafts."

3. Generators must have prior permission.

Confirmation: The Friends of Fort Davidson, the Arcadia Valley Chamber of Commerce, and the Missouri Department of Natural Resources reserve the right to refuse any application. **Applications received without a description of merchandise to be sold will be returned to the sender.** A confirmation notice of acceptance of your application will be mailed to you.
